Interstate Compact Fee Fund

Purpose

Iowa Code chapter 907B creates the Interstate Compact for Adult Offender Supervision, which provides the mechanism to supervise offenders while transferring them between compacting states. The Department of Corrections (DOC) is allowed to impose a fee of no more than \$100 for an application to transfer out of Iowa under the Interstate Compact. The fee is charged to the offender.

Fund Created

Iowa Code section 904.117 creates the Interstate Compact Fund under the control of the DOC. Receipts from fees offset the costs of administering the Interstate Compact for Adult Offender Supervision. The year-end balance carries forward to the next fiscal year and interest earned on the balance remains in the Fund.

Receipts and Expenditures

The DOC charges \$100 per application to the offender to transfer out of Iowa. Fee receipts and interest averaged approximately \$69,000 annually from FY 2015 through FY 2017. The average annual expenditures were approximately \$56,000 from FY 2015 through FY 2017.

Federal Rules

The Interstate Commission for Adult Offender Supervision oversees the operation of the Compact and promulgates federal rules for all compacting states. These rules have the full force and effect of federal law.
